It seems incredible to think about what God has accomplished in less than 5 years – with 3 homes now that house 25 residents. Recently, a delightful 90 year-old woman moved in with us.

Imagine - 90 years old & no longer having a home of your own. She has a home with us now.

Our Annual Banquet theme – “Come join us as we celebrate what God has done.” This is a time to acknowledge His goodness, applaud the work of His hand & look to the future.

IN MEMORY OF Janet & Jodi

Recently, two of our residents became ill and left for medical care. Sadly, they passed away and never returned to our “House”. Janet (age 80) and Jodi (age 86) were a wonderful part of our family. Janet moved in with us in 2022, Jodi in 2023. We think of their smiles and how they enjoyed our trips to IHOP for free breakfasts (donated by IHOP) as well as attending Jill’s “House of Hope 316” Bible studies and Sunday church services. As they neared the end of their lives, they had a home with us because of **YOU** & your support. They were safe and surrounded by people who loved them. Toward the end, there were several memorable conversations about their love for Jesus and about Heaven. Janet and Jodi were such a blessing to us – another of God’s gift to us. Just as our “Houses” are a gift to our community.

From the Word & Prayer Requests- Psalm 95:6 **“Come, let us worship and bow down. Let us kneel before the Lord our maker.”** There are times to bow before Him - to adore Him and to be in awe of Him. When we do, our eyes are on Him and not on ourselves or the things around us. At that time, the troubles of life seem small & the answer to our difficulties (our Lord) seems big and ever-present – because He is..... **May I suggest – stop what you are doing now to bow and enjoy His presence...**
